Families Flourish NORTHEAST

Building Momentum for Mothers and Families

Families Flourish Northeast | October 2026

October brought some exciting developments for Families Flourish Northeast!

From major funding milestones to new partnerships and a refreshed look, we're making meaningful progress toward building a home where mothers and children can heal together.

Here's a look at some of this month's highlights, what we've been working on behind the scenes, and what's ahead!

Building Connections Across New Hampshire

Our team has been out connecting with people and organizations working to support women and

We're Growing Our Team!

FFNE is recruiting a Clinical Director to help shape our future residential treatment program.

Do you know someone who may be a great fit? We'd appreciate your help spreading the word.

families throughout the state. Some events included:

North Country Consortium

DH Health Policy & Economics Symposium

Concord/Lakes Perinatal Voices & Action Forum

22nd annual Women Building Community Luncheon

These opportunities give us valuable space to listen, learn, and strengthen relationships with others who share our commitment to supporting women, families, and recovery.

Morgan (right), FFNE's Project Specialist, reconnects with Kailene Jones (left), FFNE's former Project Specialist, at the NH Women's Foundation luncheon. Kailene now works as a doula and birth advocate with WOMB, a fellow recipient of the HRSA/NBRC award.

Three Funding Milestones Worth Celebrating

We're excited to share three important funding approvals that will help advance our work.

$1 Million

HUD & CDFA

A U.S. Department of Housing and Urban Development Recovery Housing Program award, approved through the New Hampshire Community Development Finance Authority (CDFA).

$3 Million

NH Housing

Financing approved by the New Hampshire Housing Finance Authority to support the development of our future residential facility in Lebanon.

$119,705

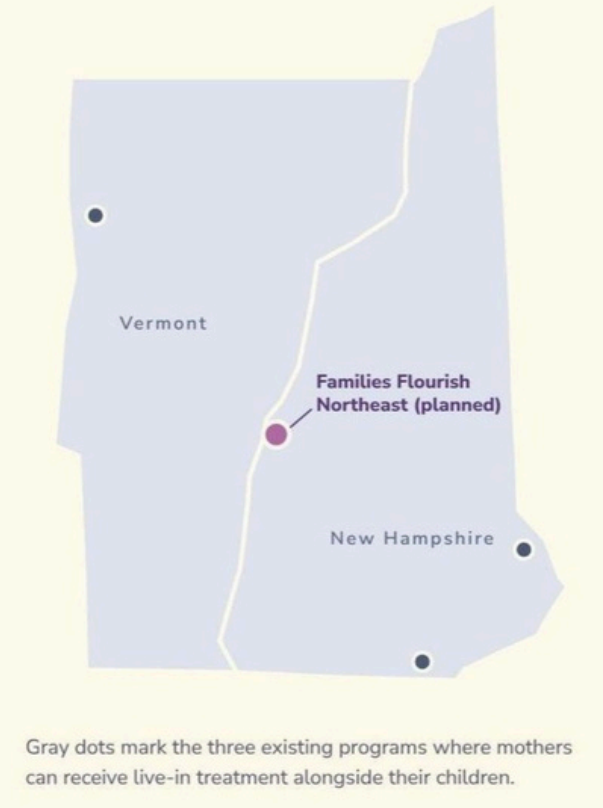

HRSA & NBRC

A new award through a partnership between HRSA and the Northern Border Regional Commission (NBRC). This funding will help FFNE strengthen partnerships and improve coordination among healthcare and community services.

Together, these investments support both the home we're building and the connections families will need before, during, and after residential treatment.

We're deeply grateful to you, the agencies, partners, and community members helping move this work forward.

Gray dots mark the three existing programs where mothers can receive live-in treatment alongside their children.

Did you know?

Only **three programs** across New Hampshire and Vermont offer live-in treatment with 24-hour clinical care (ASAM Level 3.5) for pregnant and parenting women.

A New Look for a New Chapter

You may have noticed something new around here!

We've refreshed FFNE's visual identity, introducing soft, hopeful colors that reflect the warmth, connection, and sense of home we're working to create. While our look may be changing, our mission remains the same: supporting mothers in recovery while helping

families stay connected and build healthier futures together. We're excited to share more of this new chapter with you!

More Ways to Support Us

Through our partnership with DonateStock, powered by GivingIQ, you can now contribute appreciated stock, donor-advised fund grants, cryptocurrency, real estate, and other assets.

These expanded options make it easier for you to give in ways that align with your personal and financial goals.

Thank You for Being Part of Our Journey

Every milestone brings us closer to creating a place where mothers and their children can remain together while receiving the support they need.

We're grateful for you, our community of supporters, partners, and advocates, who continue to believe in this vision and help bring it to life.

Thank you for being part of what's possible.

With gratitude,

Bethany & Morgan
